

# Friendship Star

12" finished block

Background:

Star points:

Star center:

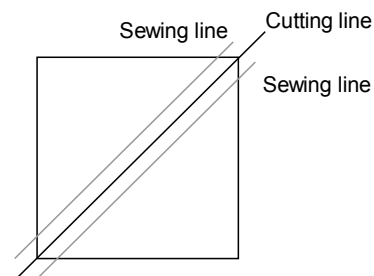

## Cutting:

Background: Cut (4) 4 1/2" squares.

Cut (2) 5" squares. Draw one diagonal line, corner to corner, on each square. Draw two more diagonal lines, 1/4" on either side of the first line.

Star points: Cut (2) 5" squares.

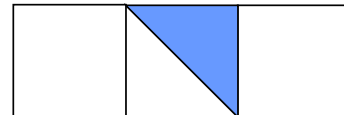

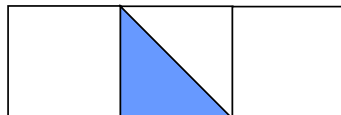

Star center: Cut (1) 4 1/2" square.

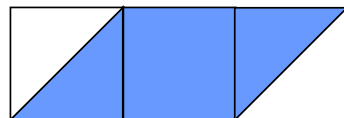

## Sewing:

Place one star point right sides together on one background square. Sew along the outside lines and cut on the center line. Open to form two half square triangle units. Press and trim to 4 1/2". Repeat with the other two squares, forming a total of four half square triangle units.

Sew background squares to either side of two half square triangle units and press to the background squares.

Sew remaining two half square triangle units to either side of the center square and press to the center square.

Join three rows to form final block, pressing seam toward the edges.
